Achlys Alice Story

The Executioner

"I'm not fighting my own demons. These are just illusions that hold me back."

For Alice, old memories are nothing but illusions that stop her from moving forward. Indeed, she was once held back by who she used to be, but now, she sees through the haze. Hate or desire isn't what drives her anymore.

When the world is once again an empty void. everything will disappear in the blink of an eye. Only the truly mighty endure in eternity.

Alice curls her lips mortals with the basest greed and lamest fantasies... how can they possibly achieve victory? Give it a try and see how far you can go.
